# Attracting Gifts from DAFs

(Seminar)

**Presenter: Gary Pforzheimer, PG Calc**

In 2022, more than 11% of all giving in the U.S. — about \$52 billion — went to donor advised funds. The purpose of DAFs, of course, is to distribute their funds over time to operating charities like yours. How do you help your charity attract a slice of the huge and rapidly expanding DAF pie? Join us for a discussion of the DAF landscape and strategies you can use to bring more DAF grants to your organization.
